

Dear Corcoran Residents,

SAVE THE DATE!

Congratulations! Your neighborhood has been chosen to participate in an exciting new residential energy program, One-Stop Community Energy Services. On behalf of the Corcoran Neighborhood Organization and the Center for Energy and Environment, we would like to invite you to participate in this unique one-stop energy program. We would also like to enlist your help in promoting this great opportunity to your neighbors.

Community Energy Services, CES, is an easy, one-stop program designed to help homeowners reduce their energy use and save money in their home. The Corcoran Neighborhood Organization has teamed up with the Center for Energy and Environment, CenterPoint Energy and Xcel Energy to offer homeowners this full-service residential energy program.

You're invited to attend our informational meeting. You will get an exclusive preview of the program, learn about the variety of volunteer opportunities, receive specialized leadership materials and find out how your household can benefit.

Tuesday, March 23rd, 6:30 p.m.
Corcoran Park (3334 20th Ave. S)

Please RSVP to Ashley Robertson at (612)335-5869 or arobertson@mncee.org.

CES includes:

- FREE educational workshops to teach homeowners how to save money and energy;
- Customized home energy visits from qualified professionals, including a blower door test and installation of materials. Up to \$400 in services and materials for co-pay of only \$30;
- Materials which may include: low flow showerheads, setback thermostats, compact fluorescent light bulbs, gasket seals, pipe wrap and more to help you save now;
- Personalized energy use inventory for the last 12 months and feedback the next 12 months to show you how these measures are saving you energy in your home;
- Information on financing, incentives, stimulus funding and rebates.

More information on this program is available at www.mncee.org. Funding for this project was provided by the Minnesota Environment and Natural Resources Trust Fund as recommended by the Legislative-Citizen Commission on Minnesota Resources (LCCMR).

We know that together we can make this program a success!
